1. Cook brown rice according to package directions. While grains cook, make stir fry.
2. In a large skillet over medium-high heat, heat oil. Add chicken. Stir occasionally until just cooked through, about 4-6 minutes. Transfer to a plate.
3. Add veggies to skillet. Start with harder veggies first (onion, carrots, bell peppers). As they begin to soften add softer veggies (mushrooms) and keep cooking. Total cooking time may be about 10 minutes.
5. Add sauce to the pan and bring to a boil. Cook until thickened, a 1-2 minutes.

Chef’s Notes:
- Use any veggies you like. Be sure to cut all veggies into equal-size pieces so they cook evenly. Add denser veggies, like broccoli, celery, and root veggies, to the skillet first. Add veggies with a high water content, like squash or spinach, last.
- Cook more rice than you need for this recipe. Use it in another recipe later in the week.
